Our girls thoroughly enjoyed every moment and are still talking about it. It was a fab adventure that pushed them to their limit - overcoming the challenges gave them a huge sense of achievement.

- Shona Doyle, Loreto Crumlin, D12

Thanks so much - we had a terrific day out. Our students really, really enjoyed it...as did the teachers! We used it as a team building activity for TY students and it worked really, really well.

- Ellen McCarron, Largy College, Co Monaghan
